EXPERIENCE

Team Manager & Senior UI/UX Designer	<i>Aug 2023 – Present</i>
LINQ Corporate Solutions Pvt. Ltd. Vadodara, Gujarat	
- Led a multidisciplinary design team of 5+ members, overseeing end-to-end project execution from ideation to delivery, consistently meeting deadlines and quality benchmarks. - Designed and developed modern, responsive website user interfaces leveraging React.js, Antigravity, and advanced front-end frameworks. - Integrated AI-powered design tools (Stitch AI, Relume AI, Figma Make) into the workflow, accelerating prototyping speed and enhancing output quality. - Created print materials, brand assets, posters, logos, and marketing collateral aligned with client brand guidelines. - Established smooth cross-team collaboration through strategic planning and effective stakeholder communication, contributing to measurable improvements in delivery timelines.	
UI/UX & Web Designer	<i>Aug 2023 – Present</i>
LINQ Corporate Solutions Pvt. Ltd. Vadodara, Gujarat	
- Conceptualized and executed compelling visual designs — including posters, logos, marketing materials, and web UI components — to effectively communicate brand narratives. - Developed pixel-perfect, responsive web interfaces using HTML5, CSS3, and Bootstrap 5, ensuring seamless performance across all devices and browsers. - Collaborated closely with product and development teams to translate business requirements into intuitive user experiences.	

UI/UX & Web Designer

Jan 2021 – Jul 2023

S4 IT Technologies | Ahmedabad, Gujarat

- Designed 20+ mobile application mockups and wireframes in Figma, applying user-centered design principles and modern UI/UX standards across diverse client projects.
- Built responsive web user interfaces using HTML5, CSS3, and Bootstrap 5, ensuring design consistency, cross-browser compatibility, and optimized performance across devices.
- Collaborated with developers and stakeholders to implement designs accurately, bridging the gap between design intent and technical execution.
- Contributed to brand identity projects including logo design, marketing materials, and digital assets for multiple clients across various industries.
